NAMAL EXECUTIVE DEVELOPMENT CENTRE

Leadership & Team
Building for Senior
Executives

Dates: 30th August to 1st September 2021

Leadership and Team Building

Leadership is a skill mastered to ensure the desired team performance. It serves as a motivational foundation for the team members to develop the desired attitude, to build their competencies and showcase the desired results. The leadership and team building require time, patience and skill as it resonates a significant impact across the whole organization. In order to lead their organizational team, the leaders and top executives must unleash their leadership competence to drive motivation and engagement for creating a valuable impression. This will not only ensure a definite success in an extremely interactive and concentrated environment, but also aid in obtaining a definite competitive edge.

This program is a 3 day long, exciting and inspirational leadership program that has been designed exclusively for the top-level management and integrates the traditional class room teaching modality with open interaction and engagement in retreat activities. At NEDC, they will not only learn the art of leadership in this contemporary and ever-changing turbulent times, but also take a much-needed break from their rigorous, fast paced, robotic lifestyles. NEDC provides such an atmosphere that is best suited for learning and relaxing alike. The comforting and peaceful environment of NEDC at the heart of Salt Range and east of Namal Lake will refresh and revitalize the executive's energies and prepare them to develop and lead their teams for ultimate organizational success.

NEDC- A Learning Retreat

Learn, Exercise, Modify and Sustain

NEDC practices the LEMS model to ensure professional skills learning in natural and serene environmental settings other than the class room. The NEDC retreat learning events include boating and kayaking trips, hiking and trekking along the glorious mountainous trails, visit to the Sulphur Springs, Lunch at Chashma, and Friendly Cricket Matches. Each of these activities have been carefully incorporated in the Leadership and Team Building Programs to facilitate an enjoyable and memorable learning experience by our esteemed executives apart from the specific leadership and team building outdoor activities that include Crocodile River, Make a Movie, Marshmallow Challenge and Hot Seat.

Why is the NEDC Leadership Retreat Exclusive?

- Immersive, engaging and provides an opportunity for self-introspection
- Retreat is inclusive of lectures, practical exercises, resource material of the NEDC's most popular training area,
 learning activities on retreat facilities etc.
- An exclusive opportunity to connect with the peers at the NEDC Leadership and Team Building Program
- Indulging in an exciting and electrifying learning experience which will enable the participants to set free their true leading potential.

Who Should Attend?

Senior leaders and managers, entrepreneurs, policy designers, game changers, project teams' leaders and change agents with at least a 10-year experience and a drive to develop such strategies that are achievable and ensure the desired outcomes and leading their organizational teams through these strategies.

Trainer's Profile

Dr. Sajid Bashir holds a PhD in Organizational Behavior and is not only one of the best researchers in Management Sciences but also an eloquent orator. He is an exceptional executive trainer as well. He has served as a Master Trainer in World Bank Projects in collaboration with Siemens Germany and Price Water House Coopers and trained 10,000 personnel under the same project. He has trained the banking professionals at NIBAF, Public servants at STI Islamabad, AATI Islamabad, WAPDA Staff College Islamabad, Police Officers at Sihala Police Foundation, and executives at Intelligence Bureau Islamabad. Apart from that, he has also worked in the capacity of a Principal Consultant for test development and trainings of the test developers with National Testing Services (NTS) and for Women Entrepreneurship and Business Leadership with GIZ Germany. His findings were published and are being currently used by the Government for Women Vocational Training in Sindh and Baluchistan.
