## THE TASSEL TURNED, THE WORLD SHIFTED AT NAMAL'S 3RD CONVOCATION

Namal University transformed into a vibrant tapestry of achievement, gratitude, and new beginnings as it proudly celebrated its 3rd Convocation Ceremony for the graduating Class of 2025.

The ceremony was presided over by Mr. Abdul Razak Dawood, Member of the Board of Governors, whose presence embodied vision, leadership, and institutional stewardship. The keynote address was delivered by the eminent scholar, thinker, and statesman, Senator (R) Javed Jabbar, whose words illuminated the path ahead for the graduating cohort.

In a moving valedictorian address, Ms. Samreen Noor from the Department of Business Studies reflected on a journey of transformation, where unfamiliar faces became lifelong companions, classrooms became crucibles of growth, and challenges became catalysts for resilience. She paid tribute to the founder of the University, Mr. Imran Ahmed Khan Niazi, whose visionary dream carved a pathway for talented youth from diverse backgrounds to access world-class education in the heart of rural Pakistan.

The Rector of Namal University, Prof. Dr. Najam Ul Islam, presented a compelling portrait of progress, highlighting the University's strong faculty-to-student ratio, impactful research culture, competitive grants, and remarkable record of graduate success. Senator Javed Jabbar's keynote address was both reflective and forward-looking. He called upon graduates to become architects of a knowledge-driven economy, champions of research and innovation, and ambassadors of ethical leadership. His message was clear and resonant: true success lies not merely in personal advancement, but in service to society and the upliftment of the nation.

The degree conferment ceremony celebrated perseverance and excellence as graduates received their degrees, with gold and silver medals honoring outstanding achievers. For parents, it was a deeply moving moment—years of sacrifice and faith blossoming into pride and fulfillment.

The 3rd Convocation of Namal University was a symphony of accomplishment, a celebration of resilience, and a powerful affirmation that excellence knows no geographical bounds. From the heart of Mianwali to the horizons of the world, the Class of 2025 now steps forward—prepared, principled, and poised to lead.

# STUDENT REPRESENTATION IN FATIMA GROUP CAMPUS AMBASSADOR INITIATIVE

Students of Namal University have been selected for the Fatima Group Campus Ambassador – E2L Program, a competitive initiative by one of Pakistan’s leading industrial conglomerates. The selection recognizes students’ leadership potential and engagement with industry-oriented learning. This selection reflects the university’s growing industry linkages and its emphasis on experiential learning, professional development, and career readiness. Participation in the program provides students with valuable exposure to corporate practices, strengthening the connection between academic learning and real-world industry environments.

# SHAPING ACADEMIC EXCELLENCE: NAMAL UNIVERSITY HOLDS 7TH ACADEMIC COUNCIL MEETING

The 7th Academic Council meeting of Namal University was convened, reaffirming its commitment to academic excellence and continuous institutional growth. The council engaged in in-depth deliberations on strategic academic planning, curriculum review, and quality assurance mechanisms to ensure alignment with contemporary educational standards. Key discussions emphasized innovation in teaching practices, program enhancement, and sustainable academic development. The meeting marked a significant step toward strengthening Namal University’s academic framework and delivering impactful, future-ready education.

# FROM HEART TO VERSE: THE GATHERING OF YOUNG POETS IN INTER UNIVERSITY STUDENTS' MUSHAIRA

The Inter-University Student Mushaira, organized by the Literary and Debating Society (LDS) of Namal University, brought together young, and talented poets to celebrate the timeless art of poetry. Students from diverse institutions shared their voices, weaving passion, creativity, and emotion into every verse. The event provided a vibrant platform for expression, fostering dialogue, inspiration, and camaraderie among the next generation of literary talent. By bridging youthful energy with classical artistry, the Mushaira showcased how poetry continues to resonate, connect, and empower all who attended.

## VIRTUAL ARENAS, REAL TALENT: NAMAL UNIVERSITY'S E-SPORTS FINAL STRIKE

The excitement was palpable at Namal University, Mianwali, as students from diverse disciplines competed in "Final Strike," a premier inter-student E-sports tournament featuring Tekken 7, PUBG, and FIFA organized by the Namal Sports and Adventure Club (NSAC). The event highlighted not only gaming talent but also strategic thinking, teamwork, and digital literacy—skills increasingly vital in today's competitive landscape. We extend our gratitude to all participants for their enthusiasm and sportsmanship beyond the classroom, and congratulate the top performers for their outstanding skill and dedication.

# ENGINEERING BRILLIANCE ON DISPLAY AT ROBO FIESTA

Proud moment for Namal University as our students achieved top positions at ROBO FIESTA 8.0, hosted by HITECH University, Taxila. Competing against talented teams from across the country, they showcased remarkable technical expertise, creativity, and seamless teamwork. Their innovation and dedication not only brought accolades to the university but also highlighted the spirit of problem-solving and engineering excellence that Namal fosters. Congratulations to our students for this outstanding accomplishment and for setting new benchmarks in robotics and technology competitions.

## FROM ENGINEERING PRECISION TO PEDAGOGICAL VISION: INSPIRED BY DR.

### WAQAR MALIK

An enriching dual engagement with Dr. Waqar Ahmed Malik, Systems Engineer at NASTP Rawalpindi, brought together technical depth and educational innovation. In an interactive session with students, Dr. Malik explored modern electronics design, from surface-mount devices and multilayer PCB design to Altium Designer and insights into PCB manufacturing ecosystems in Pakistan and China. By connecting theoretical foundations with real-world industry practices, he offered practical guidance on engineering processes, innovation, and problem-solving.

Complementing this, a Faculty Development Session focused on learner-centered teaching and assessment. Covering Bloom's Revised Taxonomy, the 5E instructional model, metacognitive strategies, and effective assessment design, the session empowered faculty to create deeper, outcome-driven learning experiences. Together, these engagements strengthened the culture of excellence, innovation, and industry-aligned education.

# SDS STRIKES THE RIGHT NOTE WITH MIC & MOVE SINGING COMPETITION

The Skills Development Society (SDS) delivered an electrifying singing and dancing competition with "Mic & Move," celebrating vocal talent and artistic expression. The event served as a dynamic platform where confidence met rhythm, allowing participants to step beyond their comfort zones and showcase their musical and performative abilities. They demonstrated remarkable vocal range, stage presence, and authenticity. Gratitude extends to all participants, organizers, and supporters whose collective enthusiasm made this event an unforgettable milestone in fostering self-expression, musical talent, and the vibrant creative spirit of Namal University.

# ALUMNI INSIGHTS ON STRATEGIC CAREER PLANNING WITH SILVER MEDALIST

## SHEEBA ASHRAF

Continuing Namal University's commitment to alumni engagement, Ms. Sheeba Ashraf (BBA 2024, Silver Medalist) led an interactive session as part of the Alumni Talk Series.

She shared her personal journey and practical insights on strategic career planning, engaging students through meaningful discussions and real-world examples.

Her session encouraged learners to plan proactively, set goals, and take confident steps toward their professional aspirations, inspiring them to envision and shape their futures with clarity, determination, and purpose.

# BRIDGING PHILOSOPHY AND PRACTICE WITH DR. TAHIR HAMEED TANOLI ON FAIZAN-E-IQBAL

At Namal University, ideas do more than inspire—they drive impact. Organized by the Namal Society for Social Impact (NSSI), Faizan-e-Iqbal brought Allama Iqbal's timeless philosophy into dialogue with contemporary realities through an engaging session led by Dr. Tahir Hameed Tanoli, Deputy Director at Iqbal Academy Lahore. The discussion encouraged critical reflection, intellectual growth, and a sense of responsibility among students, connecting classical thought with modern challenges to inspire purposeful leadership and social impact.

## ADVANCING ACCREDITATION READINESS WITH EXPERT-LED RIPE WORKSHOP

Quality Enhancement Cell (QEC) Namal University, organized a comprehensive training workshop on RIPE Framework Implementation and SAR Development. We were honoured to host Prof. Dr. Nauman Habib, a distinguished QEC professional and certified HEC accreditation reviewer, who guided RIPE committees, Heads of Departments, and the QEC team through best practices in quality assurance and accreditation readiness. The interactive session enhanced participants' understanding of robust academic evaluation and reporting processes.

## SETTING THE BAR HIGH BY ACHIEVING TOP HONOURS AT VSPARK-25

Our talented students excelled at VSPARK-25, held at COMSATS University Islamabad, Vehari Campus, securing 1st position in Poster Designing and 2nd position in Speed Web Development. Competing against teams from 15 universities, they showcased exceptional creativity, technical skill, and a strong competitive spirit.

## HOW DO TOP STUDENTS STAY AHEAD? LESSONS FROM BRAIN BUFFET

Ms. Aisha Rasool, Clinical Psychologist, led the seminar Brain Buffet: From Goals to Success, organized by Namal Wellness Center, providing students with actionable strategies to enhance learning and performance. The session introduced proactive study techniques, SMART goal setting, and the importance of understanding individual learning styles. Participants engaged deeply with discussions on overcoming procrastination, leveraging peer accountability, and turning challenges into opportunities for growth. The seminar empowered students to plan, focus, and execute their academic goals effectively, fostering self-awareness, discipline, and habits that pave the way for long-term success.

# CODEX 3.0: A NATIONAL STAGE FOR COLLABORATION AND INNOVATION

The Department of Computer Science at Namal University proudly organized CODEX 3.0, bringing together 188 talented participants from 11 universities across Pakistan for a day of innovation, creativity, and friendly competition. Students showcased their skills through intense coding challenges, prompt engineering, AI short films, and high-energy E-gaming, reflecting both technical prowess and creative vision. The event fostered collaboration, knowledge sharing, and healthy rivalry, while highlighting the next generation of innovators. Beyond competition, CODEX 3.0 exemplified Namal University's commitment to learning beyond the classroom, cultivating inter-university collaboration, and nurturing a culture where ideas, technology, and creativity converge to inspire meaningful impact.

# GLACIERS, COMMUNITIES, AND SUSTAINABILITY: INTERNATIONAL MOUNTAIN DAY 2025

Honoring the vital role of mountains, Namal University Mianwali, in collaboration with Tourism Insights, celebrated International Mountain Day 2025 under the theme “Glaciers Matter for Water, Food, and Livelihood.” The event highlighted the critical connection between mountains, communities, and sustainable development. Distinguished speakers shared valuable insights on environmental tourism, spiritual travel, hospitality education, rural tourism, and sustainable opportunities in the Salt Range, inspiring participants to recognize the importance of responsible tourism and the role of mountains in preserving ecosystems, livelihoods, and cultural heritage.

## NEXT-GEN AGRICULTURE: 4TH NAMAL AGRIBUSINESS FORUM 2025

With a focus on data-driven growth and modern agricultural practices, Namal University convened the 4th Namal Agribusiness Forum 2025, themed “Next-Gen Agribusiness: Sustainable Growth through Data and Innovation.” The forum brought together local community farmers, women entrepreneurs, and students, creating a vibrant platform for dialogue, learning, and collaboration. Esteemed academics and agribusiness innovators shared insights on cutting-edge technologies, data-enabled solutions, and sustainable practices shaping the future of agriculture. Through interactive discussions and practical demonstrations, participants explored innovative approaches to enhance productivity, resilience, and environmental stewardship.

# ADVANCING AGRI-MECHANICAL ENGINEERING BY JOINING FORCES WITH ALKARAM RICE

In a move to advance innovation in agri-mechanical engineering, Namal University signed a strategic MoU with Alkaram Rice Engineering Pvt. Ltd. The partnership will provide dedicated Research and Development (R&D) support to design and develop cutting-edge digital systems aimed at transforming modern agriculture. By combining academic expertise with industry experience, this collaboration aims to develop practical, data-driven solutions for the agricultural sector, promoting research, innovation, and the adoption of technology to shape the future of sustainable and efficient farming practices.

## PAWS, WINGS & PURPOSE — STANDING FOR EVERY CREATURE

Namal Environmental Club (NEC) proudly organized an Animal-Bird Welfare Event at Namal University, Mianwali, celebrating compassion and coexistence. The highlight was an enlightening seminar by Dr. Muhammad Faisal Kamran, who shed light on animal care, welfare, and our ethical responsibilities as humans. A vibrant Drawing Competition, participated by the talented students of Namal School, sparked creativity among young minds, while the beloved Pet Corner, featuring adorable cats and dogs, stole hearts across campus. Together, these activities cultivated a culture of empathy, ethical awareness, and environmental consciousness, reminding us that caring for every living being defines true humanity.

## NAMAL CHAMPS CLINCH CRICKET GLORY IN A RIVETING 2–1 SERIES VICTORY

In a thrilling display of skill and sportsmanship, Namal Cricket Team emerged victorious in a three-match cricket series against Lawa Cricket Club, clinching it with a commanding 2–1 lead. Organized by the Namal Sports and Adventure Club (NSAC), the series delivered edge-of-the-seat action from the very first ball. While Lawa Cricket Club put up a commendable fight, Namal squad demonstrated remarkable consistency and team spirit to seal the series in their favour.

# A SOULFUL EVENING OF QAWALI NIGHT FOR GRADUATING CLASS OF 2025

The graduating class of Namal University Mianwali enjoyed a magical Qawali Night organized by Namal Dramatics Club (NDC). Renowned qawwal Akbar Ali Khan, also known for his Coke Studio performances, mesmerized the audience with his evocative voice and powerful renditions. The evening offered students and guests an unforgettable celebration of music, reflection, and joy, honoring the graduating class's achievements and memories.

# ADVANCING PAKISTAN'S SEMICONDUCTOR FUTURE THROUGH STRATEGIC COLLABORATION WITH 10X ENGINEERS

In alignment with Pakistan's national vision for secure digital systems, Namal University Mianwali has signed a strategic MoU with 10x Engineers. This partnership will provide funding and advanced training in cutting-edge chip design and development, equipping students and researchers with the skills to innovate in the rapidly growing semiconductor sector. By fostering expertise, collaboration, and hands-on experience, the initiative aims to empower the next generation of engineers to contribute significantly to Pakistan's emerging semiconductor ecosystem and the broader landscape of digital innovation.

# EXPLORING HORIZONS IN SESSION WITH FRITZ BÖHMLER, SAWIE GERMANY

Mr. Fritz Böhmler, CEO and Managing Director of SAWiE, Germany, led an engaging session with faculty and students, emphasizing collaboration and knowledge exchange. Discussions explored ongoing joint projects and identified potential opportunities for future research and innovation. Participants gained valuable insights into international best practices, emerging technological trends, and strategies for impactful global partnerships. The session highlighted the importance of cross-border collaboration, inspiring the academic community to pursue initiatives that advance research, foster innovation, and contribute meaningfully to global scientific and technological development.

# TOURISM AS A TOOL FOR GROWTH AND SUSTAINABILITY

In collaboration with the Cross Route Club, a workshop explored how tourism can catalyze rural development and community empowerment. Participants discussed strategies to leverage travel and cultural experiences for creating sustainable economic opportunities, strengthening local infrastructure, and fostering meaningful connections between urban and rural areas.

# GUIDING DIGITAL CONDUCT FROM THE LIFE OF THE HOLY PROPHET (PBUH)

Namal Society for Social Impact (NSSI) conducted a seminar titled “Moral Responsibilities in the Positive Use of Social Media, in the Light of the Life of the Holy Prophet (PBUH).” It explored how social media can serve as a powerful tool for learning, communication, and community building. Participants were encouraged to embrace honesty, respect, and constructive engagement online, spreading knowledge and harmony instead of misinformation or negativity. Drawing guidance from the life of the Holy Prophet (PBUH), the session highlighted the importance of ethical digital behavior and inspired attendees to use social media responsibly to make a positive impact on society.

# BEST RESEARCH PAPER AWARD GOES TO REVOLUTIONARY DEEP LEARNING MODEL

Students from Namal University Mianwali achieved a remarkable milestone by winning the Best Paper Award at the 4th ICECT-2025, NUML Islamabad. Their research, titled “A Deep Learning Model for Detecting Fake News on Social Media Using Sentence Embeddings and Transformers,” showcased an innovative application of AI to combat misinformation online. The team demonstrated technical excellence, creativity, and impactful research that addresses a critical global challenge. Their achievement reflects not only academic brilliance but also the potential of students to develop solutions that can reshape digital communication and trust in social media platforms.

# BIDDING FAREWELL TO 2025: NAMAL FAMILY UNITES UNDER THE STARS

A night illuminated by hope and fresh beginnings marked Namal University's celebration of the New Year, as 2025 gracefully gave way to 2026. Students, faculty, and staff gathered to embrace the promise of the year ahead, reflecting on achievements and dreams yet to unfold. The event was a testament to the vibrant spirit of Namal's societies. Namal Dramatic Club (NDC) handled the stunning decorations, Namal Literary & Debating Society (LDS) hosted the event, the IEEE Namal Student Branch performed a captivating skit, and Namal Idea Club (NIC) curated the lantern arrangement, adding magic to the evening.

All other societies also contributed, including Namal Society for Social Impact (NSSI), Namal Environmental Club (NEC), Namal Sports and Adventure Club (NSAC), Skills Development Society (SDS), and Voice of Namal (VoN), creating a collective celebration of creativity, service, and teamwork. The celebration was more than festivity; it was a poetic reminder of new chapters, endless possibilities, and the collective pursuit of learning, growth, and success.

# WHAT'S NEXT FOR BUSINESS EDUCATION? INSIGHTS FROM THE CAB MEETING

The Corporate Advisory Board (CAB) Meeting brought together industry professionals to provide strategic guidance for academic growth and student development. Discussions focused on enhancing academic-industry alignment, integrating emerging business trends into the revised HEC Business Studies curriculum, and improving student employability. Beyond strategic planning, CAB members engaged directly with students through specialized training and mentoring sessions, emphasizing professional competencies and workplace ethics.

## BEHIND THE SCENES: EXPERTS SHARE THE BLUEPRINT FOR SME GROWTH

In collaboration with the State Bank of Pakistan, a dynamic SME Mentorship Session brought together aspiring entrepreneurs and leading industry experts. Speakers from NBP, SMEDA, SECP, Meezan Bank, and SBP shared actionable insights, strategies, and best practices to help startups thrive in today's competitive business environment. The session explored key aspects of business planning, regulatory compliance, financing, and growth opportunities, equipping participants with practical knowledge and mentorship. Attendees left inspired, empowered, and better prepared to navigate the challenges of building successful, sustainable small and medium enterprises.

## PREPARING FOR THE UNEXPECTED: EMERGENCY RESCUE SKILLS IN FOCUS

An Emergency Rescue Training session equipped the Namal University community with vital life-saving skills and practical knowledge to respond effectively in critical situations. Participants learned techniques for first aid, rescue operations, and emergency preparedness, emphasizing quick decision-making, safety, and teamwork. Organized by Namal Society for Social Impact (NSSI), the session aimed to foster a culture of awareness and responsibility, empowering students, faculty, and staff to act confidently during emergencies. By building these essential competencies, the community is better prepared to protect lives, respond to crises, and contribute to a safer and more resilient environment on campus and beyond.

# CAMPUS VISIT BY MR. ABDUL RAZAK DAWOOD FOCUSES ON GROWTH AND EXCELLENCE OF NAMALITES

Mr. Abdul Razak Dawood, Member of the Board of Governors (BoGs), visited the Namal University campus. He engaged with students and faculty, sharing insights on leadership, entrepreneurship, and innovation. During his visit, he reviewed ongoing developments at the construction sites and commended the progress achieved. The session provided students with valuable guidance, practical perspectives, and motivation to pursue their ambitions with focus and creativity.

# ALIGNING EDUCATION WITH INDUSTRY REQUIREMENTS TO BOOST GRADUATE SUCCESS

The Industrial Advisory Board Meeting brought together visionary leaders from industry and academia to explore ways to strengthen the connections between education, innovation, and employability. Distinguished participants included experts from Dream Big Semiconductor, NTDC, Emumba Pvt. Ltd., Mindstorm Studios, PAEC, Heriot-Watt University (UK), Data Anim Pvt. Ltd., and Microchip Technologies (USA). Their insights, recommendations, and strategic guidance focused on enhancing academic rigor, industry relevance, and future readiness.

# RESILIENCE REWARDED AS IEEE STUDENT BRANCH OFFICIALLY RESTORED AT NAMAL

Namal University celebrated a momentous revival as the IEEE Student Branch returned—back and stronger—marking renewed energy in innovation, leadership, and global professional engagement. After maintaining research activities, conference participation, competition involvement, and the organization of seminars and webinars for nearly two years, the branch was officially re-inaugurated with Prof. Dr. Noshewan Shoaib, Chair of the IEEE Islamabad Section, as Chief Guest.

# ALUMNI ASSOCIATION EXPANDS WITH ISLAMABAD CHAPTER INAUGURATION

Namal University believes in the close bandage with its alumni. To strengthen its ties and to give well deserved accolades, Namal's Alumni Office restarted its Islamabad Chapter. Alumni serving in Islamabad and adjacent areas joined the reunion with passion, respect and excitement. The Namal Management updated the participants about the developments and progress Namal has made during the recent past. Representative of the Namal Alumni Association also updated them about their initiatives and requested them to contribute to the best of their capacity. An informal chit chat went on for hours over the hi-tea and it proved a really exceptional opportunity for the Namal Community to have a reunion of a kind which left indelible marks and cherishing memories behind.

# MANAGEMENT COMMITTEE REVIEWS PROGRESS AT NAMAL UNIVERSITY

Mr. Abdul Razak Dawood, Convener – Management Committee, along with Mr. Sikandar Mustafa Khan and Dr. Arif Nazir Butt, members of the Management Committee, visited Namal University for a comprehensive review of institutional progress. The delegation engaged with senior management and faculty, discussing strategic priorities and future directions. They also toured the under-construction sports facilities and other ongoing development projects, reaffirming the Committee's commitment to strengthening infrastructure and academic excellence.

## NO BOARDROOM. NO DESKS. JUST A DAM, A TRAIL, AND THE ULTIMATE TEST OF UNITY

Namal Societies and Clubs organized an invigorating team-building activity, "A Walk to the Dam," which brought together faculty and administration for a day of connection and collaboration. The scenic trek offered more than breathtaking views; it strengthened bonds of mutual respect, coordination, and teamwork within the Namal community. Participants enthusiastically engaged in videography and photography contests, showcasing remarkable creativity, while the inter-group cooking competition added a spirited touch of camaraderie. The experience reaffirmed a powerful truth: together, we achieve far more than we ever could alone.

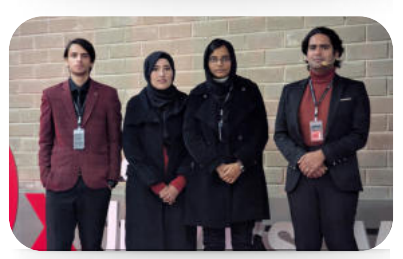

# A HISTORIC FIRST: TEDxNAMALUNIVERSITY TAKES STAGE WITH “MINDS THAT MOVE THE WORLD”

A landmark chapter was added to the academic and intellectual landscape with the successful hosting of TEDxNamalUniversity, the first event of its kind at Namal University, Mianwali. Centered around the theme “Minds That Move the World,” the event became a dynamic platform for ideas that inspire innovation, resilience, and purposeful change. Organized in collaboration with RUMI House, it reflected Namal’s commitment to intellectual dialogue and transformative learning.

The stage welcomed an exceptional lineup of speakers. Mr. Azam Jamil, Member of the (BoGs) of Namal University and hospitality leadership expert, Mr. Omair Rana, actor and leadership coach, offered profound reflections on human potential and authentic leadership. Prof. Dr. Noshewan Shoaib, professor and head of the Electrical Engineering Department at NUST, illuminated the future of RF technologies and intelligent systems. Prof. Dr. Sumaira Kausar, Director of the Center of Excellence for Artificial Intelligence at Bahria University, highlighted the transformative power of applied artificial intelligence. Mr. Ahmad Manzoor, founder and CEO of ANZ Tech and an internationally recognized technologist, shared insights from decades of experience in digital transformation and leadership. Mr. Asif A. Malik, Registrar of Namal University, offered profound reflections on human potential, authentic leadership, and moving beyond limiting narratives to consciously author one's career. Dr. Kainat Gohar, healthcare entrepreneur, and Ms. Mashoon Abbas, Namal’s alumna turned entrepreneur, shared journeys of impact and reinvention. Senator Walid Iqbal, Chairperson of the Board of Governors of Namal University, corporate lawyer, and public policy advocate, spoke on compassion and leadership.

The event also proudly featured Namal’s own remarkable students: Fatimah Tu Zahra from the Department of Electrical Engineering, alongside Mr. Sarmad Sultan, Ms. Anaya Nawal, Ms. Dua, and Ms. Rabia Irshad from the Department of Computer Science—whose talks reflected courage, authenticity, and intellectual promise. TEDxNamalUniversity stands as a defining milestone, reaffirming Namal’s vision to cultivate minds that truly move the world.

## BEYOND THE RED CARPET: TEDx SPEAKERS IGNITE CAMPUS-WIDE DIALOGUE

TEDx speaker Mr. Omair Rana, a renowned actor, theatre director, and leadership coach, engaged both students and faculty in a reflective session, blending creativity and leadership, he sparked discussion and personal growth.

Mr. Azam Jamil, Member of the Board of Governors (BoGs) and corporate trainer, interacted with students and faculty, promoting dialogue on leadership, coaching, excellence, and purposeful learning.

Ms. Mashoon Abbas, Namal alumna and entrepreneur, shared her journey of adaptability and career exploration, encouraging students to embrace change and step confidently beyond their comfort zones.

These engagements reinforced the TEDx experience as a platform not only for ideas but also for direct mentorship, inspiration, and meaningful exchange, leaving a lasting impact on both students and faculty.
